

God's Handiwork

When you're an orphan or widow in India, you are in danger. Many are abused and neglected in the harshest ways, looked down-on by a society that shames their status with guilt, giving no value to their life. Can God use such a people group to bring Glory to his name? YES, He can!

"For we are God's handiwork, created in Christ Jesus to do good works. Which God prepared in advance for us to do". (Eph 2:10)

Often we do not know the lasting impact of our actions, whether they are good or bad. But what is evident is the fact that they always have a ripple effect upon those around us. Years ago, the W.O.W. ministry from Grace Point Church and others raised funds to buy sewing machines for orphans and widows. Now during this time of a worldwide pandemic, orphans and widows are supplying thousands of high-quality facemasks to those in need. These orphans and widows that society has rejected are making a significant impact on the community that surrounds them. Jesus tells us to "Let your light shine before others, that they may see your good deeds and glorify your Father in heaven (Matt 5:16)". Isn't it poetic that the people who were abused and neglected are now providing relief, and the community who was so harsh to them is seeing the children's home as a BEACON OF HOPE!
