Can You Spare Some Change?

Recently our ministry has been asked to help find **sponsors for an additional 180 children** in India! Finding new sponsors seems daunting, but the scriptures remind me that all things are possible with God. He profoundly cares about orphans more than I could imagine; and blesses those who care for the poor, the hungry, the sick, and the unclothed (Mt 25:40).

The only way to fail in the mission is not to try. We have the opportunity to make a difference! I am looking for like-minded people with a heart for the things of God, who will help carry this burden. Please pray that God would open the right doors for our ministry to help every child set before us.

How much does it cost to help a child? It costs very little to help a child, and we make it simple for people to contribute - a full sponsorship is \$2.67 a day (\$80/mo), that's spare change! We also offer partial support at \$60, \$40, or \$20 a month.

What does a child get because of a sponsor? Sponsors help provide safe shelter, bible training, clean water, food, medical attention, clothing, and education.

Therefore, as long as we have the light of life, let us fight the good fight and do good to all people, especially those who belong to God's household.

Please cut and return bottom portion along with your donation.

Please make checks payable to **House of Hope**
