

HAPPY NEW YEAR!

It's that time of year when many people reflect on what they have accomplished and what they want to achieve in the year to come; this is a great time to pause and reflect on the heart of God and the things He would have for you. As servants of God, we are reminded to submit our plan unto the Lord, and He will direct our path (Proverbs 3:5-6). Often, the goals I set are too easy to accomplish; they don't stretch my faith, but 2021 seems different. It requires me to step out in faith and increase my efforts more than ever, which is exciting and challenging. Please continue to pray for our ministry as we seek to find 165 more sponsors for children in the coming year. Pray that God would grant us favor with churches and individuals alike; the task before us great, but my hope is in God, who far exceeds my greatest fears and obstacles.

House of Hope policy is to ensure that children benefit 100% from funds raised for them. However, we also need to raise our personal funds (a.k.a. missionary support). I would ask that you prayerfully remember us in your giving so we can continue the work the Lord has set before us.

May the Lord bless you richly in 2021
