

February 2021

Good news, 2021 is already different; our ministry went from caring for 20 children to 50, and although this is remarkable growth, the goal is to reach 200 children. I am thankful for the momentum gain and the positive direction we are heading in. We have increased our circle of influence and extend hope and kindness towards those who could never repay (Matt 25: 31-40).

I am happy to be a part of this work because I know God is in this (James 1:27). As people of faith, let us take comfort in the fact that the scriptures encourage us to be kind and compassionate to one another (Eph 4:23), and in doing so, we reflect the heart of God.

House of Hope policy is to ensure that children benefit 100% from funds raised for them. However, we also need to raise our personal funds (a.k.a. missionary support). I would ask that you prayerfully remember us in your giving so we can continue the work the Lord has set before us.
