REMEMBRANCES

Remember when God saved you, the feeling of having your sins forgiven, the burden of your sins being lifted away.

Remember when you realized the word of God was alive and active, capable of guiding, directing, and correcting you in your journey of faith. Remember the times when God answered your prayers, and you discovered how personal and intimate He is with you? Remember how God showed up and comforted you in some of the darkest times in your life when you felt hopeless? I hope you can answer yes to all these questions because they can serve as a launching pad for another step of faith. In the Old Testament book of Joshua, God tells the leaders to set up a memorial (a remembrances stone) so that the people would not forget what God has done for them. Like the children in Israel found in the book of Joshua let us remember the things that God has done for us. Let us commit ourselves to trust God for His constant goodness, furthermore for the adventures yet unseen. Take heart, my friends; we serve a great God who is "able to do immeasurably more than all we ask or imagine" Eph 4.

Let us take courage as we move forward in faith, always looking for a door of opportunity to share the love of God, being diligent to renew our minds with the Word of God, and preparing ourselves for greater acts of faith.

House of Hope policy is to ensure that children benefit 100% from funds raised for them. However, we also need to raise our personal funds (a.k.a. missionary support). I would ask that you prayerfully remember us in your giving so we can continue the work the Lord has set before us.
